Dear Offsite Staff Services,

Since I started with Off Site Staff Services my New Patient appointments have increased by 100% in each of the past 3 months. The phone communication with patients is thorough and professional. When ever I've had a question and needed to talk, they're always available. The nice thing about this service is I no longer need to deal with telemarketer calls. There was a break-in period for me (due to switching to the online calendar), but once everything was worked out I felt I could rely on Off Site Staff Services for all my calls and schedule. Their fees are very reasonable for all the time and attention they give.

Thank you.

Sincerely Yours,

Gregory A. Lind, D.C.
